

16GB, 32GB, 64GB, 128GB*

iXpand™ Mini Flash Drive

The Flash Drive for your iPhone and iPad

Highlights

- Free up space on your iPhone¹
- Automatically back up your photos and videos²
- Watch popular-format videos directly from the drive³
- Designed to fit most iPhone cases
- High-speed USB 3.0 transfer speeds of up to 90MB/s to and from your computer⁴
- Easily manage your photos and videos with the iXpand Drive app²

Designed for the iPhone, the iXpand Mini Flash Drive offers an easy way to free up space on your iPhone, automatically backs up your camera roll, and lets you watch popular-format videos straight from the drive⁵. The drive has both a Lightning connector that works with most cases and a USB 3.0 connector to plug into PC or Mac computers so you can easily move content. The iXpand Mini Flash Drive also includes encryption software that lets you password-protect files, so you can share your content while keeping sensitive files secure across your devices⁶. The iXpand Mini Flash Drive delivers a fast and simple way to free up space on your iPhone so that you're always ready to capture more memories.

SanDisk®
